## MEET OUR TEACHERS

Over the next few editions of the "Bulletin," we will be profiling our teachers. In addition to learning a bit about their background, experience and talents, you will also gain a glimpse into their hearts as they talk about why they do that they do.

### Cindy Carnahan

Cindy is a native of the greater Fredericksburg area, having been born in Dumfries, raised in Stafford and currently residing in Spotsylvania County.

Cindy says she "grew up in church" and accepted Christ at a young age. As an adult, she has been active in children's ministry, teaching at Christ Chapel in Woodbridge for two years, and currently on staff as a volunteer in children's ministry at Riverside First Church of God. She and her husband are also youth leaders there.

Cindy also worked at the Grace 4 Kids child care center in Fredericksburg for six years.

*"I enjoy working with children, especially in a Christian environment. I believe it's important to teach children about God at a young age, which is a key initiative of The Good Shepherd Preschool."*

## **Would You Share a 5-Star Review?**

**W**ith registration now open for the upcoming 2022-2023 school year, it is important that we reach as many families as possible to ensure they consider The Good Shepherd Preschool as they explore options in the local community.

Online reviews are becoming increasingly important for childcare businesses. Today, more and more parents conduct most of their childcare research on the web, and recent studies show that 93% of customers will read online reviews to determine the quality of a local business.

Positive customer reviews can also boost our website's search engine ranking, making our preschool program more visible to prospective families searching for local childcare options.

We trust that you are pleased with our preschool and the investment we are making together with you to provide a quality early education experience for your child. If you would be comfortable with leaving a review for us online, we would greatly appreciate it!

- 5-star reviews, please. If there's any reason you feel you can't give us this score, we would definitely like to know why. Please call or send a note to help us address any deficiencies.
- The more detailed your review, the better. Mentioning specific things you appreciate about our preschool will help prospective families determine if we might be a good fit for their child.

Some of the most popular review sites are Google and Facebook. Feel free to leave your review on these sites according to your preferences and your existing accounts.
